Press Release: Get Ready for the GenAI Hackathon at Open Conf 2024!

Calling all tech enthusiasts, innovators, and change-makers—this is your moment! 🚀

The **Tech for Humanity: Sustainable Development GenAI Hackathon** is coming to **Open Conf**, and registration is now open! Mark your calendars for **November 21st to 22nd, 2024**, and get ready to build cutting-edge solutions for some of humanity's most pressing challenges.

This unique event invites **students, developers, and creators** to form teams or participate individually, using the powerful **Google VertexAI framework** to develop innovations aimed at addressing global sustainability goals.

Why You Should Join:

- **Impactful Innovation:** Develop apps, solutions, or technologies that support any of the 17 United Nations Sustainable Development Goals. 🌱🌍
- **Fantastic Prizes:**
 - 🏆 Winning Team (Experienced League): €1,000 in Skroutz Gift Cards
 - 🏆 Winning Team (Novice League): €500 in Skroutz Gift Cards
- **Live Pitch Opportunity:** Finalists will have the chance to present their ideas on stage at Open Conf in front of over 500 people! ✨

How It Works:

1. Submit your draft idea.
2. Up to **15 teams** will be shortlisted.
3. Shortlisted teams will receive **mentorship** to refine their projects.
4. Pitch your solution and compete for exciting prizes!

No team? No problem! You can find your dream team through our **team-match** channel in our [discord server](#).

Event Highlights:

- **Dates:** November 21-22, 2024
- **Location:** Dais Events Center, Athens
- **Theme:** Harnessing AI for global sustainability solutions.
- **Sponsor:** Proudly sponsored by Opap.

Ready to be part of something bigger? Don't miss this chance to **learn, network, and innovate** while driving change in the world!
